

April

2008

This Month's Theme: **Spring...**

- Conversation Starters -

Ask your child why it is important to warm up their body?

Ask them about their personal space....

Fun April activities include:

Scarf Juggling

- Each student gets one scarf. When they throw it up in the air with one hand they catch it with the other.

Right vs. Left

- We put a bright sticker on everyone's right foot, and talk about right and left.

Bubble Fun!

- Popping bubbles with different body parts.

We look forward to seeing all of you April 12 @ The Big Event for Little Kids....

Just a reminder: Our May performance @ the YWCA is free of charge! Please invite family and friends to see what we have learned this year! The children are looking forward to it....

Happy spring!
